

POLICY DECLARATION

- Institute reforms in the existing standards and codes of practice for the LPG industry;
- Ensure the health, safety, security, environmental, and quality standards for all activities in the industry;
- Promote awareness regarding the health, safety, security, environmental, and quality standards for the proper use of LPG, LPG pressure vessels, and ancillary equipment through information dissemination and end-consumer education campaigns;
- Uphold the right of end-consumers to freely choose the LPG brand they want to purchase and improve competition in the LPG industry for the benefit of end-consumers; and
- Be at the forefront of technological innovation, in partnership with public and private stakeholders.

ROLES OF GOVERNMENT AGENCIES

- Chapter II, Republic Act 11592

ROLES OF GOVERNMENT AGENCIES

- DOE – shall be the primary government agency responsible for the implementation and enforcement of the Act
- Department of Trade and Industry
 - ✓ develop, formulate, review and revise, as may be necessary, the PNS of facilities, pressure vessels, ancillary equipment and centralized piping system
- Department of Interior and Local Government
 - ✓ Coordinate and cooperate with the DOE for the orderly and effective implementation of the Act, rules, regulations, and other issuances promulgated pursuant thereto, including LGU permitting and monitoring, together with the LGUs, BFP, and PNP

ROLES OF GOVERNMENT AGENCIES

- Bureau of Fire Protection
 - ✓ Strictly implement the provisions of Republic Act No. 9514, otherwise known as the “Fire Code of the Philippines of 2008, and its revised implementing rules and regulations, on the manufacturing, storage, handling, use, and transportation of LPG including fire safety devices and the issuance of all relevant permits and certificates
- Land Transportation Office and Land Transportation Franchising and Regulatory Board
 - ✓ Shall issue the appropriate guidelines and regulations governing the Auto-LPG motor vehicles and authorized motor vehicles used in the transportation of LPG in bulk and in cylinders

ROLES OF GOVERNMENT AGENCIES

- Maritime Industry Authority
 - ✓ issue the appropriate guidelines and regulations governing marine vessels transporting LPG and filled and unfilled LPG pressure vessels.
- Law Enforcement Agencies
 - ✓ shall assist the DOE, DTI and other government agencies upon their request, in the exercise of their powers and functions pursuant to Section 6 of the Act including inspections of LPG facilities and motor vehicles transporting LPG in bulk or in LPG cylinders and cartridges
- Department of Environment and Natural Resources
 - ✓ shall issue, together with the DOE, guidelines for the disposal of LPG, LPG contaminated water, and LPG pressure vessels

ROLES OF GOVERNMENT AGENCIES

- Local Government Units
 - ✓ Assist the DOE in identifying LPG industry participants in violation of the provisions of the Act
 - ✓ Assist the DOE in identifying an area for impounded LPG pressure vessels, motor vehicles, and other associated equipment
 - ✓ Coordinate with the DOE in transporting, hauling, storing, decanting, and disposing of confiscated LPG, LPG pressure vessels, and Ancillary equipment
 - ✓ Suspend or revoke, upon due notice and hearing, the business permit or license of an LPG industry participant upon the issuance by the DOE of a notice of suspension or revocation of its License to operate pursuant to Section 6 of the Act

APPLICATIONS

Section 1.2 and Sections 18 - 24

I. REGISTRATION

- Prior to commencement of construction of all refineries, terminals, Depots, Refilling Plants, and Centralized LPG Piping Systems, including any of their ancillary facilities;

- LPG Trademarks or Trade Names;

- LPG seals and their manufacturers;

- Refilling of Third-Party LPG Trademark or Trade Name;

- Authority to Sell an LPG-filled Cylinder Bearing a Trademark or Trade Name

- LPG Bulk Consumers

- Authorized Transport Motor Vehicles and Marine Vessels for Bulk, Cylinder and Cartridge

II. LICENSE TO OPERATE

- all qualified LPG participants

III. REGULAR REPORTS

COVERAGE

- Importer
- Refiner
- Bulk Distributor
- Terminal and/or Depot Owner/Lessor
- Hauler
- Refiller
- Trademark Owner or Marketer
- Dealer
- Retailer
- Auto-LPG Dispensing Station Owner/Operator
- Centralized LPG Piping System

DEFINITION OF IMPORTANT TERMS

- **ANCILLARY EQUIPMENT** - refers to parts, devices, and accessories necessary and indispensable for the safe and proper operation of an LPG pressure vessel such as seals, valves, hoses, and regulators

DEFINITION OF IMPORTANT TERMS

- **AUTO-LPG DISPENSING STATION** - refers to a facility or business establishment, which sells Automotive LPG directly to Auto-LPG vehicle users.

DEFINITION OF IMPORTANT TERMS

- **BULK CONSUMER** - refers to a duly authorized natural or juridical person who purchases LPG at large quantities for its own use, requires bulk storage of LPG, and does not, in any way, engage in the distribution or sale of LPG to the end consumer

DEFINITION OF IMPORTANT TERMS

- **CENTRALIZED LPG PIPING SYSTEM** - refers to a means of distributing LPG through a closed piping system of pipelines within a building from locally installed LPG pressure vessels

DEFINITION OF IMPORTANT TERMS

- **CORRECT WEIGHT OF LPG IN CYLINDER** - refers to the net content computed as the difference between the gross weight and the tare weight of the LPG-filled cylinder as indicated in the permanent markings
- **GENERIC LPG CYLINDER** - refers to an LPG cylinder which is already circulating in the market prior to the effectivity of this Act, bearing no trademark or trade name embossed, engraved, or otherwise permanently indicated thereon

DEFINITION OF IMPORTANT TERMS

- **DEALER** - refers to any duly authorized natural or juridical person engaged in the trading or sale of LPG in cylinders to retail outlets or directly to End-consumers
- **RETAILER** - refers to a duly authorized natural or juridical person engaged in the direct and exclusive trade or sale of LPG in cylinders to End-consumers whose maximum floor stock is determined by the DOE

DEFINITION OF IMPORTANT TERMS

- **LPG PRESSURE VESSEL** - refers to an unfired and sealed containment for LPG that has internal pressure more than 1.03 barg, and designed, manufactured, examined, and tested in accordance with prescribed standards and codes, such as LPG bulk storage tanks, LPG cylinders, LPG cartridges, Auto-LPG containers, and other similarly designed and tested containers

DEFINITION OF IMPORTANT TERMS

- **LPG CYLINDER** - refers to a transportable and refillable pressure vessel with up to one hundred fifty (150) liters water capacity, designed for the storage of LPG
- **LPG CARTRIDGE** - refers to a non-refillable receptacle having a water capacity not exceeding one thousand (1,000) milliliters (ml) for receptacles made of metals, and five hundred (500) ml for receptacles made of synthetic material or glass, containing under pressure a gas or mixture of gases. It shall also refer to an **LPG canister** or **LPG cassette**

RESPONSIBILITIES OF LPG INDUSTRY PARTICIPANTS

GENERAL RESPONSIBILITIES

Rule 2, Sections 4

- ✓ Ensure that what it imports, procures, utilizes, manufacturers, constructs, **operates and sells are compliant with the PNS and other standards, requirements and guidelines promulgated pursuant to the Act**
- ✓ Comply with all the guidelines and valid orders issued by the DOE, DTI and other government agencies in the implementation of RA 11592 and its IRR

GENERAL RESPONSIBILITIES

Rule 2, Sections 4

- ✓ Ensure the health, safety, security, environmental and quality standards
- ✓ Uphold the right of end-consumers to freely choose the LPG brand they want to purchase to improve competition
- ✓ **Engage in business transaction only with legitimate and registered LPG industry participants**
- ✓ Strictly observe the non-commission of the prohibited acts described in the Act

GENERAL RESPONSIBILITIES

Rule 2, Sections 4

-
- ✓ Comply with the registration with the DOE prior to the commencement of the construction of all refineries, terminals, depots, refilling plants and centralized LPG piping systems
 - ✓ **Comply with the application for the issuance of DOE of License to Operate**
 - ✓ **Comply with the required standards for product and ancillary equipment, facility and safety practice**
 - ✓ **Comply with the submission of prescribed reports to the DOE**
 - ✓ Maintain a responsible person in the establishment who shall be present therein when the place is open and operating

RESPONSIBILITIES OF AN LPG DEALER/RETAILER

Rule 2, Sections 10 and 11

- Carry only the trademark or trade name of a trademark owner or marketer with whom it has a contract or agreement
- Sell only LPG in cylinders with LPG seal of its Trademark owner or Marketer
- Provide **appropriate measuring device** which shall accurately measures LPG-filled cylinders or cartridges
- **Ensure the correct weight of LPG-filled cylinders or cartridges delivered to its Retailers or End-consumers**
- Provide servicing, delivery, and technical assistance to all its Retailers, and End-consumers

RESPONSIBILITIES OF AN LPG DEALER/RETAILER

Rule 2, Sections 10 and 11

-
- ✓ Periodically check compliance of Retailers with the following:
 - a) Content requirements of LPG sold; and
 - b) Proper calibration and sealing of measuring devices
 - ✓ Sell LPG-filled cylinders or cartridges with correct weight to its retailers and end consumer
 - ✓ Comply with the issuance of BIR-registered sales invoice or official receipt to customers/clients upon conclusion of sales
 - ✓ Comply with the display of DOE LTO, business permit and all other relevant permits and clearances required by law
 - ✓ Comply with the provision of a display board showing the facility registered business name and address placed at the front of the facility premises visible for verification purposes
 - ✓ Comply with the provision of appropriate price display board

UNCERTIFIED, DEFECTIVE, INJURIOUS, UNSAFE, OR DANGEROUS LPG CYLINDER OR CARTRIDGE

It is unlawful for any person to REFILL, SELL, TRADE, or DISTRIBUTE an LPG cartridge or cylinder NOT designed or intended for refilling LPG, uncertified, not allowed by DTI, noncompliant with existing PNS, and do not bear the necessary safety marks, whichever is applicable

Rule 2, Sections 15

EXAMPLE OF NON- COMPLIANT LPG CYLINDERS

TRANSPORT OF LPG AND LPG PRESSURE VESSEL

All MOTOR VEHICLES and MARINE VESSELS utilized in the transportation of LPG in bulk and filled or unfilled LPG pressure vessels shall register with the Land Transportation Office and Maritime Industry Administration, respectively, and shall comply with the guidelines issued by the DOE, BFP, MARINA and LTO

Rule 2, Sections 16

REGISTRATION

REGISTRATION OF AUTHORITY TO SELL AN LPG-FILLED CYLINDER BEARING A TRADEMARK OR TRADE NAME

- A Dealer or Retailer shall register with the DOE, through OIMB or FO, **ALL** Trademark or Trade Name it is authorized to sell via LPG-filled Pressure Vessel upon application for the issuance of LTO and any additional Trademark or Trade Name it is authorized to sell after the issuance of the LTO.

Rule 3, Sections 2I

SAMPLE CERTIFICATE OF REGISTRATION AUTHORITY TO SELL AN LPG BRAND

Republic of the Philippines
Department of Energy
Visayas Field Office

CERTIFICATE OF REGISTRATION – AUTHORITY TO SELL AN LPG- FILLED CYLINDER BEARING A TRADEMARK OR TRADENAME

COR Code: VFO-LPG-DLR-2024-10-1592

This is to certify that

YELLOWSTONE GROUP INC.

**FIRECRASH, MACTAN AIRPORT ROAD, BARANGAY BANKAL,
LAPU-LAPU CITY, CEBU**

Has duly complied with the registration requirements of Rule 3, Section 21.
Registration – Authority to Sell an LPG Cylinder Bearing a Trademark or Trade name of
Department Circular No. DC2022-11-0037 and is hereby authorized to sell the
following:

Trademark or Trade Name	Size
FIESTA	170 g, 2.7 kg, 5 kg, 11 kg

Suspension, revocation, or cancellation of its License to Operate as LPG
Dealer/Retailer shall cause the automatic suspension, revocation, or cancellation of
its trading authority and this Registration Certificate.

Any request for cancellation of this Registration shall require a submission of
notification to this Field Office (FO).

This Certificate of Registration (CoR) shall remain valid until 08 August 2029
consistent with the Supplier's Agreement unless suspended or cancelled for due
cause by the Department of Energy. Further, this CoR shall be prominently displayed
in the concerned LPG establishment's premises and/or place of business.

Issued on NOV 05 2024, at 5th Floor Escario Building, 731 Escario
Street, Capitol Site, Cebu City, Philippines.

REGISTRATION OF BULK CONSUMER

Rule 3, Sections 23

- A Bulk Consumer shall register with the DOE through the OIMB or FO prior to its commercial use of LPG. The OIMB or FO shall have the authority to verify and validate all the required documents and information and may further require a presentation of the applicant's profile in a pre-application conference.

QUALIFICATIONS AS BULK CONSUMER

Annex 6 - A

- Purchases LPG in large quantities for its own use, requires bulk storage and does NOT in any way engage in the sale of LPG to end-consumers
- LPG use is considered “from bulk storage to LPG appliances or LPG-fed equipment” [minimum capacity of 150-liter water capacity connected in manifolds]
- LPG consumption is for single end-consumer, and
- In the case of multiple LPG end-consumers, LPG consumption is part of the utility expenses (e.g. electricity, power, etc.)

REGISTRATION OF AUTHORIZED TRANSPORT MOTOR VEHICLES AND MARINE VESSELS FOR BULK, CYLINDER AND CARTRIDGE

- All LPG industry participants shall register with the DOE, through OIMB or FO, all their Authorized Transport Vehicles, and marine vessels upon application for the issuance of LTO and any additional registration after the issuance of the LTO.

Rule 3, Sections 24

SAMPLE CERTIFICATE OF REGISTRATION AUTHORITY TO TRANSPORT LPG IN CYLINDERS

Republic of the Philippines
Department of Energy
Visayas Field Office

CERTIFICATE OF REGISTRATION – AUTHORIZED TRANSPORT MOTOR VEHICLES AND MARINE VESSELS FOR BULK, CYLINDER, AND CARTRIDGE

COR Code: VFO-LPG-MV-2024-10-217

This is to certify that

YELLOWSTONE GROUP INC.

**FIRECRASH, MACTAN AIRPORT ROAD, BARANGAY BANKAL,
LAPU-LAPU CITY, CEBU**

Has duly complied with the registration requirements of Rule 3, Section 24.
Registration – Authorized Transport Motor Vehicles and Marine Vessels for Bulk, Cylinder,
and Cartridge of Department Circular No. DC2022-11-0037 and has registered the
following authorized Motor Vehicle/s / Marine Vessel/s to transport LPG in **Cylinder**:

Type of Vehicle/Marine Vessel	Plate Number	Motor Vehicle File No. (OR/CR)	Ship Registry and Safety Certificate from MARINA / BFP Conveyance Clearance	Issued Date
Truck	GBD4750	0716- 00000631012	FSCCHMCCV NO. R75052408003	August 12, 2024

All authorized transport motor vehicle or marine vessel shall always carry a
certified true copy of this Certificate of Registration, Conveyance Clearance, valid copy
of the OR and CR for motor vehicle, and marine vessel registry and safety certificates
for verification during inspection.

Transport vehicles of 2-wheel and 3-wheel type shall comply with Section 4.2.2
and 4.2.3, respectively, of DOE Department Circular DC2013-09-0022, on the
maximum allowable load of LPG cylinders.

Any request for the removal of an authorized transport motor vehicle or marine
vessel from the Registration shall require a submission of notification to the Field
Office.

This Certificate of Registration shall remain valid and consistent with the validity
of the motor vehicle OR and CR and marine vessel registry and safety certificates or
conveyance clearance.

Issued on **NOV 06 2024**, at 5th Floor Escario Building, 731 Escario
Street, Capitol Site, Cebu City, Philippines.

FACILITY AND OPERATION STANDARDS

Annex J

DEALER WAREHOUSE, SHOWROOM AND OUTLET

Annex F-5 and Annex J

- Building shall be made up of pre-dominantly non-combustible material (concrete/steel)
- Building shall not be part of theater, school, hotel, supermarket or place of worship
- LPG cylinders preferably be stored in open air or well-ventilated area and at ground level
- Storage area is protected by adequate security fence, with recommended minimum height of 1.8 meters
- Storage shall comply with required separation distance or compliant fire wall
- Stored cylinders shall comply with specific product PNS

DEALER WAREHOUSE, SHOWROOM AND OUTLET

Annex F-5 and Annex J

- Stored cylinders in building shall not be located near exits, near stairways, or in areas normally used, or intended to be used, for the safe egress of occupants
- Stored cylinders shall be located to minimize exposure to excessive temperature rises, physical damage, or tampering
- Cylinders may be stacked against a fire wall not more than 400 kg in quantity. If more than 400 kg, a one-meter separation is required between stacked cylinders and fire wall to allow inspection
- Cylinders (filled and empty) must be stored upright, with valves in uppermost position
- Valves of stored cylinders (both empty and filled) shall be closed at all times

TRANSPORT VEHICLE SPECIFICATIONS

- The main body of the cargo space shall be of metal cage. A solid or caged roof shall also be provided.
- The use of closed vehicles in transporting filled or used empty cylinders is strictly prohibited. A vehicle is deemed closed if it has solid side or back walls AND a roof.

THREE-WHEEL VEHICLE

- A motorcycle with fixed steel cage side-car that can safely carry a load of LPG cylinders. A 3-wheeled vehicle must only have 2 stacks load of twelve (12) 11-kg cylinders or its equivalent for smaller sizes of cylinders.

REPUBLIC OF THE PHILIPPINES
DEPARTMENT OF ENERGY
Visayas Field Office
Cebu City

Reference Code No.: VFO-DLR-AnksCharlesLPGSupply-001-09-2025-0158

LICENSE TO OPERATE

Having complied with the provisions of Republic Act No. 11592, otherwise known as "LPG Industry Regulation Act" and its Implementing Rules and Regulations and the Department Circular No. DC2022-11-0037 entitled "Guidelines on the Registration and Issuance of License to Operate to Qualified DOE-Regulated LPG Industry Participants and Penalizing Certain Prohibited Acts", this License to Operate is hereby granted to:

ANKS CHARLES LPG SUPPLY
Stall #27 Public Market, T. Padilla, Cebu City, Cebu

The issuance of this License does not exempt the LPG establishment from compliance with other applicable requirements imposed/required by other concerned government agencies.

Violation of any provision of Republic Act 11592 and its Implementing Rules and Regulations and Department Circular No. DC2022-11-0037 shall be ground for non-renewal, suspension, or revocation of this License.

This License shall be valid for the type of business activity applied for until Sept. 16, 2030. Application for the renewal of this License, including payment of the necessary fees therefor, shall be made on or before twenty (20) working days from its expiry date.

WITNESS MY HAND and the Seal of this Office on Sept. 17, 2025, at 5th Floor Escario Building, 731 Escario Street, Capitol Site, Cebu City, Philippines.

DIR. RENANTE M. SEVILLA
OIC, VISAYAS FIELD OFFICE

Official Receipt No.: 7564211

Date Issued: Sept. 11, 2025

Amount: P3500.00

THIS SERVES AS YOUR OFFICIAL DOCUMENT, NO NEED TO CLAIM ANY DOCUMENTS

CKIP: This is a computer-generated License to Operate certificate. Please report any discrepancies or errors.

PROHIBITED ACTS

ATTY. BARITONE A. BUSI

Legal officer IV

DOE - Visayas

VIOLATION	PENALTY (FIRST OFFENSE)
Section 38(a)(1) Engaging in an activity without a valid license to operate or registration from the DOE, whichever is applicable	- P5,000 for each day of operation
Section 38(b)(1) Knowingly transacting with, or selling or distributing LPG, LPG pressure vessels, or LPG seals to an LPG industry participant who does not have the required licenses, certificates, clearances or permits, whichever is applicable	- P10,000 for every LPG pressure vessel or seal, and if applicable, closure until required licenses and permits are secured

VIOLATION	PENALTY (FIRST OFFENSE)
Section 38(c)(1)(i) Failing to comply with the safety designs including fire safety requirements for refining plants, refilling plants, depots, storage areas, motor vehicles, retail outlets, warehouses, Auto-LPG conversion shops, Auto-LPG dispensing stations, and other related facilities of LPG industry participants	- P300,000, provided that for retail outlets the fine shall be P10,000
Section 38(c)(1)(ii) Failing to comply with safety practices	- P300,000, provided that for retail outlets the fine shall be P10,000

VIOLATION	PENALTY (FIRST OFFENSE)
Section 38(c)(1)(iv) Failing to comply with requirements on measuring devices	- P300,000, provided that for retail outlets the fine shall be P10,000
Section 38(c)(6) Failing to comply with the safety design and requirements, permits, and clearances of motor vehicles transporting LPG in bulk and LPG cylinders and cartridges	- P300,000, provided that for retail outlets the fine shall be P10,000

VIOLATION	PENALTY (FIRST OFFENSE)
Section 38 (d)(3) Selling and distributing defective, injurious, unsafe, dangerous, noncompliant or substandard LPG pressure vessels	- P25,000 for every LPG pressure vessel and confiscation of the said LPG pressure vessel
Section 38(d)(4) Selling and distributing refilled LPG cartridges	- P25,000 for every LPG pressure vessel and confiscation of the said LPG pressure vessel
Section 38(d)(5) Selling and distributing LPG-filled cylinders without a seal, with a tampered, fake, or broken seal, or with a seal not belonging to the trademark owner.	- P25,000 for every LPG pressure vessel or seal and confiscation of the said LPG pressure vessel or seal, provided that in the case of broken seals, the fine shall be P1,000 for every LPG cylinder

VIOLATION	PENALTY (FIRST OFFENSE)
Section 38(d)(6) Selling or distributing LPG pressure vessels without the necessary markings and safety and quality marks as required by the PNS, or the standards governing LPG pressure vessel manufacture, requalification, and repair, whichever is applicable	- P25,000 for every LPG pressure vessel and confiscation of the said LPG pressure vessel
Section 38(d)(8) Filling LPG pressure vessels with LPG mixed with another finished or unfinished petroleum or non-petroleum product, substance or material resulting in the failure of the LPG to meet the required PNS.	- P25,000 for every LPG pressure vessel and confiscation of the said LPG pressure vessel

VIOLATION	PENALTY (FIRST OFFENSE)
Section 38(d)(10) Refilling of LPG cartridges	- P25,000 for every LPG pressure vessel and confiscation of the said LPG pressure vessel
Section 38(d)(11) Hauling, loading, transporting, or permitting the loading and transportation of LPG in bulk, or LPG-filled cylinders or cartridges in quantities greater than the rated capacity of the motor vehicle or in such manner that endangers the life and safety of its passengers or the public	- P25,000 for every LPG pressure vessel and confiscation of the said LPG pressure vessel
Section 38(d)(12) Storing LPG in pressure vessel more than the volume prescribed in RA 9514 and its IRR	- P25,000 for every LPG pressure vessel and confiscation of the said LPG pressure vessel

VIOLATION	PENALTY (FIRST OFFENSE)
Section 38(d)(14) Possessing of illegal or fake LPG seals	-- P25,000 for every LPG pressure vessel and seal and confiscation of the said LPG pressure vessel or seal, provided, that in the case of broken seals, the fine shall be P1,000 for every LPG cylinder
Section (38)(e)(1) Failing to submit periodic reports as may be required	- P20,000
Section 38 (e)(2) Refusing, preventing, or obstructing the inspection of its premises and records	- P300,000

VIOLATION	PENALTY (FIRST OFFENSE)
Section 38(e)(4) Failing to submit the Certification pursuant to Section 34 of the Act	- P20,000
Section 38(e)(5) Failing to comply with other responsibilities in Chapter III of the Act and implemented under Rule 2 of this DC	- P20,000
UNDERFILLING Section 39(a) Refill, sell, transfer or deliver LPG when the net quantity is less than the LPG pressure vessel content required at the refilling plant	- P20,000 for every LPG pressure vessel - Upon conviction, imprisonment of six to twelve (6-12) years

VIOLATION	PENALTY (FIRST OFFENSE)
UNDERFILLING Section 39(b) The dealer or retail outlet when the quantity of LPG in a pressure vessel sold, transferred, or delivered is less than the required pressure vessel content quantity If applicable, a broken, tampered, absent or removed seal, or an LPG pressure vessel that does not have the proper seal attached to it, shall be considered prima facie evidence of underfilling	- P20,000 for every LPG pressure vessel - Upon conviction, imprisonment of 6 – 12 years

VIOLATION	PENALTY (FIRST OFFENSE)
ILLEGAL REFILLING	
Section 40(a) Filling or refilling of LPG pressure vessels with products or substances other than LPG in an effort to achieve the correct net weight	- P25,000 for every LPG pressure vessel and confiscation of the said LPG pressure vessel - In the case of illegal refilling, upon conviction, the criminal penalty shall be imprisonment of 6 – 12 years
Section 40(b) Filling or refilling of LPG cylinders directly from LPG bulk storage trucks	- P25,000 for every LPG pressure vessel and confiscation of the said LPG pressure vessel - In the case of illegal refilling, upon conviction, the criminal penalty shall be imprisonment of 6 – 12 years

VIOLATION	PENALTY (FIRST OFFENSE)
ILLEGAL REFILLING	
Section 40(d) Refilling of LPG from one LPG cylinder to another cylinder	- P25,000 for every LPG pressure vessel and confiscation of the said LPG pressure vessel - In the case of illegal refilling, upon conviction, the criminal penalty shall be imprisonment of 6 – 12 years
Section 40(c)Refilling of LPG cylinders other than in duly licensed LPG refilling plant	- P25,000 for every LPG pressure vessel and confiscation of the said LPG pressure vessel - In the case of illegal refilling, upon conviction, the criminal penalty shall be imprisonment of 6 – 12 years

VIOLATION	PENALTY (FIRST OFFENSE)
ILLEGAL REFILLING	
Section 40(f) Refilling of LPG cylinders that are not compliant with the PNS	- P25,000 for every LPG pressure vessel and confiscation of the said LPG pressure vessel - In the case of illegal refilling, upon conviction, the criminal penalty shall be imprisonment of 6 – 12 years
Section 40(f)(4) Refilling of LPG cylinders by Auto-LPG dispensing stations	- P25,000 for every LPG pressure vessel and confiscation of the said LPG pressure vessel - In the case of illegal refilling, upon conviction, the criminal penalty shall be imprisonment of 6 – 12 years
